Cleaning and Maintenance
of schools and colleges

Your Road Map For Success

“ Success is waking up in the morning, whoever you are, wherever you are, however old or young, and bounding out of bed because there’s something out there that you love to do, that you believe in, that you’re good at something that’s bigger than you are, and you can hardly wait to get at it again today.”

Let’s get started!

Action Chemical and Equipment is fully compliant under the NCC in the Janitorial, Sanitation supplies category. The company is also registered with the Ministry of Health/Pharmaceutical Chemical & Drug Division and the Factories Act.

COMPANY Profile

ACTION CHEMICAL & EQUIPMENT

Action Chemicals and Equipment is a known leader in the manufacture and distribution of specialty chemicals and has been in operation for over 20 years.

The core business is the provision of both industrial and housekeeping Chemical supplies and equipment.

Led by the Managing Director, Clement Bernard who has more than thirty (30) years combined experience in the business, having worked hitherto with the corporate behemoths in the industry, the company has been satisfying the needs of its clientele over the period.

Action Chemicals and Equipment maintains membership with – International Safety Standards Association (ISSA) – a North America Association which regulates the standards of the industry.
